

Maths challenge held for pupils

Fourteen primary schools in the Wentworth and Merebank area were invited to attend a maths challenge competition which was held at the Wessa wildlife environmental facilities at Treasure Beach, last Friday.

The event was planned during international maths week, as part of a fun morning to raise awareness and interest in mathematics among primary school pupils. A math dictionary which was compiled by retired teachers was sponsored to each of the schools. Mr RM Mvuyana, the deputy chief education specialist for mathematics, Umlazi district was invited as the guest of honour. Seen are Mr RM Mvuyana with teachers, pupils, retired teachers and organisers of the event.
